

AprèsFlex® Supports a 7 Times Greater Improvement in Joint Comfort[^]

Improvement in Joint Comfort

[^] In a 30 day, randomized, double-blind, placebo-controlled study of 67 adults, subjects taking 50 mg of AprèsFlex[®] twice daily experienced a statistically significant difference in mean improvements from baseline for joint comfort, stiffness and function as measured by WOMAC that was 7, 5 and 43 times greater in the AprèsFlex[®] group than placebo, respectively, after 30 days. Statistically significant improvements were seen as early as 5 days.

KEEP OUT OF REACH OF CHILDREN.

OUR QUALITY COMMITMENT TO YOU

Since 1935, our mission as the industry leader has been to provide you with the highest-quality nutritional supplements. We continue to stand behind this mission. If you're not 100% satisfied with your purchase, return the unused portion of the product with your receipt within 30 days and we'll either refund your money or find you a replacement product that is right for you.

GNC
TriFlex™
TURMERIC FORMULA

Feel better and get moving - fast!
TriFlex™ Turmeric Formula is a vegetarian, shellfish-free solution with clinically proven AprèsFlex® for joint health.

HERBAL - Unlike most joint care products, TriFlex™ Turmeric Formula doesn't contain glucosamine or chondroitin, so it's perfect for those who are allergic to shellfish or prefer a vegetarian solution.

FAST ACTING - Features AprèsFlex®, a potent boswellia serrata extract, which is clinically proven to support a 7 times greater improvement in joint comfort, as well as improvements in joint stiffness and function, in as few as 5 days. It is thought to work by targeting pathways related to your body's natural anti-inflammatory response.^{^*}

HIGHLY ABSORBABLE - Includes CurcuWIN® turmeric, which is clinically proven to have superior absorbability. Turmeric has traditionally been used to support joint health.

GNC
TriFlex™
