

The liver is responsible for virtually all internal detoxification. Super Milk Thistle® X liver cleansing formula not only enhances this process through its positive effects on bile flow, it helps strengthen the liver at a cellular level so it functions at its best.* The proprietary technology, which combines one part standardized milk thistle extract with two parts phosphatidylcholine, dramatically improves absorption.*

Integrative Therapeutics' evidence-based natural medicines are the only choice of doctors who rely on the fact base of premier science to deliver patient results.

The ingredients in this formula comply with the safety and efficacy standards set forth by the German Commission E, which is the worldwide recognized authority for effective herbal remedies.
