DIRECTIONS: Mix one (1) rounded scoop (8.6 g) with 10-12 oz of water in between meals.

WARNING: Consult your healthcare provider prior to use if you are pregnant, nursing, taking any medication or have any medical conditions.

- ▲ Athletes know they're only as strong as their weakest link; which for many is their joints and tendons. While many products on the market target joint health, not many also support the health of the tendons that connect our muscles to our bones.
- ▲ True Athlete Athlete's Collagen is a premium formulation of Tendoactive® and high-absorption curcumin to support both tendon and joint health.
- ▲ Tendoactive® supports tendon health and addresses tendon discomfort.
- ▲ CurcuWIN® is supported by research to be better absorbed than standard curcumin.

NSF Certified for Sport® products have been rigorously tested for more than 270 banned substances and potentially harmful contaminants.

STORE IN A COOL, DRY PLACE. KEEP OUT OF REACH OF CHILDREN.

TAMPER EVIDENT Do not use if outer seal is broken or missing.
