

Did you know greens-based products contain high levels of naturally occurring lead? Integrative Therapeutics™ has designed a specially formulated combination that minimizes lead levels while providing the highest combination of fiber, greens, vegetables, and fruits per serving—in a great-tasting formula! It is the safe and cost-effective way to supplement the 5-9 servings of fruit and vegetables daily requirement.

Research has confirmed that diets high in natural foods are associated with benefits for immune, gastrointestinal, and cardiovascular health.* Pure Harvest™ Greens living food supplement provides vegetables and grasses, rich in vitamins, minerals, and antioxidants, in a convenient and great-tasting drink mix.*

Container is filled by weight, not by volume; some settling may occur.
