

EVIDENCE-BASED

integrative
THERAPEUTICS, INC.

THYROSINE COMPLEX™*

*Essential vitamins and minerals for
proper thyroid function**

100 CAPSULES

Dietary Supplement

Thyrosine Complex™ combines high-quality thyroid tissue, the amino acid tyrosine, and synergistic trace minerals that must be present for endocrine gland functions, especially the thyroid.* The thyroid gland needs iodine and L-tyrosine to produce hormones that control the body's metabolism.* The trace minerals are involved with specific enzymes linked to endocrine glandular processes.*

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

Contains no sugar, yeast, wheat, gluten, corn, soy, dairy products, artificial flavoring, or preservatives. All colors used are from natural sources.
