

401303-1R35

To assure optimal potency, the leaf is harvested in early spring and the seed & calyx are harvested in late summer. They are each extracted separately according to their individual biochemistry, and are then blended together to produce a broad-spectrum extract.

Other ingredients: certified organic grain alcohol (48-58%) & distilled water.

Our Stinging Nettle is never fumigated or irradiated.

LIQUID HERBAL EXTRACT

STINGING NETTLE BLEND

Urtica dioica
Leaf, Seed & Calyx

HERBAL DIETARY SUPPLEMENT
1 Fluid Ounce (29.6 ml)

SUGGESTED USE
