

Organic bee pollen is considered to be one of Mother Nature's most potent superfoods. Made from 100% pure flower pollen grains, Groovy Bee® Organic Bee Pollen contains health-promoting nutrients like fiber, protein and carbohydrates that can support overall health. It comes from carefully selected beekeepers and is certified organic. With its delicate aroma and lightly floral taste, our organic bee pollen tastes great when sprinkled on porridge, muesli, cereals, smoothies, and desserts.
