

InterACTIVE Nutrition's **IGNITRO™** is an advanced, pre-workout drink mix that produces dramatic results that you see and feel instantly-from the very first dose. The most potent nitric oxide generator in the supplement industry, **IGNITRO™** contains scientifically proven ingredients that instantly increase energy, enhance focus, induce muscle pumps and boost strength. By simultaneously priming your CNS and SMS, **IGNITRO™** harnesses the power of these two systems and primes you for outstanding performance and extraordinary physique results.†

IGNITRO™ is formulated with a proprietary ingredient blend that delivers a powerful muscle-building Nitric Oxide punch! **IGNITRO™** produces extended nitric oxide elevations, vasodilation and skyrockets muscle growth. Creatine Monohydrate is a time-tested muscle builder that improves exercise endurance, working capacity, activity and alertness, speeds exercise recovery and overall exercise performance.†

Pre-workout supplementation is the best way to maximize the quality of your workouts and to produce results. **IGNITRO™** is the ideal pre-workout supplement.†

Duration of Use: For occasional use only. Consult a healthcare practitioner for prolonged consumption.

Cautions: For healthy adults only. Do not use more than two servings per day. Not intended for children, pregnant or breastfeeding women. Do not use if you have had a Myocardial Infarction (Heart Attack). People with any health conditions should consult a healthcare practitioner before consuming this product. Consult a health care practitioner prior to use if you are taking any medications including antidepressants, blood thinners, MAO inhibitor, lithium, stimulants or Digoxin. Consumption with natural stimulants (e.g. bitter orange extract, synephrine, octopamine, ephedra), caffeine-containing products or drugs which increase blood pressure is not recommended. Not recommended for people with diabetes, heart, liver, kidney problems, glaucoma or detrusor instability. Drink 2-3 glasses of water to prevent dehydration. This product contains the naturally occurring amino acid beta-alanine, which may cause a tingling skin sensation in some individuals. Do not use if the security seal is broken. Keep in a cool and dry place, away from children.

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

This product is packed by weight and not volume; some settling may occur in shipping. Produced and packaged in our own state of the art manufacturing facility in accordance with current Good Manufacturing Practices.

Produced in a facility that uses ingredients which may contain milk, egg, soy, wheat, peanut, fish and shellfish.
