THE PURITY TRIPLE ACTION PROBIOTIC DIFFERENCE
To protect the stability of our Probiotics, Purity Integreates a two-step time-binding process to protect against moisture, heat, air and light. First we flush the environment with nitrogen to remove oxygen and moisture. Then we individually seal each capsule using low temperature cold seal seals. This individualized seal and light.

Suggested Use: As a dietary supplement, take 1 capsule daily. For optimum results, take two servings daily for the first 15 days. FOR DAILY USE.
