MASS-TADON™, The Mass Gainer by Interactive Nutrition delivers over 500 calories and 50 grams of protein per serving for Maximum Growth.†

Ultimately designed for extreme muscle wrenching growth, MASS-TADON™ contains 50 grams of premium quality, Cold Temperature Cross Flow Micro Filtered Multi-Blend protein. Included in this blend is slow release Casein Protein, making it ideal for muscle growth and tissue rectification.†

Formulated with **MASSTRIX™**, an Appetite Enhancing Matrix of scientifically validated ingredients to increase your appetite and reduce the feeling of fullness, promote absorption and gain muscle weight and body mass. It's Ingredients work synergistically for healthy metabolic function for faster and healthier weight gain.†

MASS-TADON™ - Appetite Enhancing Matrix helps the anabolic processes and is known for their nutritive effects. This Blend further strengthens and nourishes endocrine glands, balance hormonal secretions and through this twin action, escalates long-term immune functions. Scientifically researched ingredients are shown to help athletes gain more weight and lean muscle mass.†

In addition to enhancing your appetite resulting in weight gain, **MASS-TADON™** also contains ingredients that improve blood flow, eliminate toxins, enhance the immune system, support cardiovascular health, regulate metabolism, and increase energy.†

MASS-TADON™ is the best tasting weight gainer, with an outstanding biological value and protein efficiency ratio along with a balanced and completely intact profile of whey protein micro fractions for utmost growth.†

Caution: Pregnant, breastfeeding women, children or people with medical conditions should consult a health care practitioner before using any supplements. Not recommended to atopic and asthmatic individuals, people with seasonal allergic rhinitis or allergic to pollen, royal jelly or honey. Store in a cool, dry place. Keep away from children.
