

EVIDENCE-BASED

Vitamin D3 2000 IU provides a convenient way for adults and children (ages 12 and older) to increase intake of cholecalciferol—the natural form of vitamin D—to promote a strong immune system, as well as healthy bones.* Research has also shown that increased intake of cholecalciferol boosts calcium absorption.*

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or preservatives. This product contains natural ingredients; color variations are normal.
