Svetol® features clinically proven Svetol® (weight loss support and is standardized to contain 40% chlorogenic acids. Chlorogenic acid works to slow the release of glucose (sugar) into the bloodstream, causing the body to burn more fat cells, burn up fat in the liver before the fat is stored, which raises your metabolism.*

Svetol® is a registered trademark of Naturox, Inc.

CAUTION: If you are pregnant or nursing do not take this product.
