

**Best French Red Wine Extract** contains BioVin® Advanced, a French Red Wine extract made from whole red wine grapes. BioVin® Advanced contains 5% red wine trans-resveratrol and 30-35% red wine polyphenols, including anthocyanins and other flavonoids. Each capsule of Best French Red Wine Extract provides the resveratrol equivalent of 3 glasses of red wine or 12 glasses of white wine.

The whole grape constituents in BioVin® Advanced enhance the body's antioxidant defenses to counteract the effects of free radicals.\* Resveratrol is involved in activating the human enzyme SIRT1, which is involved in regulating metabolism and healthy weight control.\* Resveratrol and red wine polyphenols have been shown to support healthy cardiovascular function and promote healthy aging.\*
