Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

This product is sold by weight not volume.

Natural color variation may occur in this product.

Store in a cool, dry place after opening.

Suggested Usage: Take 1/4 teaspoon (slightly rounded) 1 to 3 times daily. Mix into orange juice or other strong tasting juices to mask the taste.

Vitamin C is a water soluble nutrient well known for its vital role in the immune system.* Vitamin C is also necessary for the production of collagen (a structural protein in connective tissue) and is therefore important for skin, bone, and joint health.* Vitamin C is needed for amino acid metabolism, neurotransmitter synthesis, and the utilization of many nutrients, such as folic acid and iron.* It is also a highly effective antioxidant that can help maintain healthy tissues by neutralizing free radicals generated during normal metabolism and exposure to environmental stressors.* This product utilizes calcium ascorbate, a buffered form of vitamin C that is bioavailable and non-acidic, and is enhanced with bioflavonoids, which work synergistically to support vitamin C utilization.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
