

Medical Doctor Formulated

Bioperine enhanced Steel Libido is the first product to support both erectile function and libido (sexual drive)*. The ingredients in this formula create a powerful one-two punch to your sexual performance and enjoyment. Support mechanisms include:

- **Support of the Blood Vessel System Involved in Penis Erection***
- **Targeted Nutraceuticals that the Body Uses to Generate Sexual Desire and Drive***

What makes us different:

 **Liquid Soft-Gels** - The contents of these easy-to-swallow liquid soft-gels are quickly released in the body up to 200% faster than dry tablets and capsules, which contain binders and fillers that can cause stomach upset. *Natural Liquid Soft-Gels are body friendly.*

Independent Lab Testing - This formula has passed each rigorous phase of the IQPQ (Industry Pure Quality

Program), a comprehensive potency analysis of each key ingredient.

Rain Forest Protection - 5% of our profit is donated to the Rain Forest Alliance and National Wildlife Federation. 90% of our future medicines may come from our dwindling rain forests.

Patented Bioperine® Complex - Bioperine "super-charges" the bioavailability, absorption and potency of many nutrients.
