LIQUID HERBAL EXTRACT

THUJA

Thuja occidentalis
Fresh Branchlets

HERBAL DIETARY SUPPLEMENT
4 Fluid Ounces (118.4 ml)

We prepare our Thuja Extract from fresh (undried) branchlets of *Thuja occidentalis* trees which are Custom Wildcrafted™ in their natural wild habitat.

To assure optimal extraction of Thuja's bioactive compounds, we hand-harvest only the young tender branchlets which are then taken directly to our laboratory and promptly extracted while still fresh and succulent.

Our Thuja is never fumigated or irradiated.

Fresh herb / menstruum ratio: 1 : 2

Contains certified organic grain alcohol (66-76%)
& Thuja extractives.
