

0 90800 00034 8

To assure optimal extraction of Thuja's bioactive compounds, we hand-harvest only the young tender branchlets which are then taken directly to our laboratory and promptly extracted while still fresh and succulent.

We prepare our Thuja Extract from fresh (undried) branchlets of *Thuja occidentalis* trees which are **Custom Wildcrafted™** in their natural wild habitat.

LIQUID HERBAL EXTRACT

THUJA

Thuja occidentalis
Fresh Branchlets

HERBAL SUPPLEMENT

1 fluid ounce (29.6 ml)
