

EVIDENCE-BASED

NutriVitamin Enzyme Complex™ absorbable multi formula is an exclusive multivitamin and mineral supplement with highly concentrated, synergistic plant enzymes for optimal nutritional maintenance.* NutriVitamin Enzyme Complex is formulated for maximum absorption and bioavailability with activated coenzyme forms of vitamins B2 and B6, flush-free inositol hexaniacinate and true GTF chromium—a chromium niacinate complexed with reduced L-glutathione.* Poly-Ascorbates™ is our exclusive blend of pH buffered mineral ascorbates. Pro-Flora™ is our exclusive blend of probiotic intestinal microflora.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call your physician or a Poison Control Center immediately.

Caution: If you know or suspect you have an ulcer, do not use unless under the care of a healthcare practitioner. If pregnant, nursing, or taking prescription drugs, consult with your healthcare practitioner prior to use.

Recommendations: Take 2 or 3 capsules twice daily with meals, or as recommended by your healthcare practitioner.

Contains no sugar, salt, yeast, wheat, gluten, artificial coloring, artificial flavoring, or preservatives. This product contains natural ingredients; color variations are normal.
