

Steel-Libido® for Women is a sexual-support formula with specially selected ingredients that have a long history of traditional use.* Decreased female libido is an issue experienced by women of all ages. Steel-Libido for Women works in two ways. First, it supports sexual desire and libido. Second, it helps promote physical pleasure.*

■ **Passionate libido and sexual desire:** Epimedium, also known as Horny Goat Weed, has been used for hundreds of years in the Far East for supporting healthy sexual activity. The adaptogens Maca and Ashwagandha are included in this formula to promote vitality and vigor.*

■ **Enhanced physical pleasure and performance:** L-Tyrosine, Choline and L-Histidine help support energy levels to boost sexual arousal and intimacy.*

This distinctive formula, with 11 balanced ingredients, plus the Bioperine™ Complex helps provide a one-two punch for your sexual enjoyment.

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. *Advanced Liquid Soft-Gels provide an optimum delivery system.*

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Quality Assurance - We at Irwin Naturals® are committed to providing the highest quality products for your health. We employ third party testing for independent verification of purity and potency.

Environmental Responsibility - A percentage of our profit is donated to organizations that support the environment. As much as 90% of our future medicines may come from our dwindling rain forests.

Patented Bioperine® Complex - Bioperine® enhances the bioavailability, absorption and potency of many nutrients.*
