

0 90800 00037 9

We prepare our Usnea Extract from various species of Usnea lichens which have been Custom Wildcrafted™ in their native habitat. To assure optimal extraction & concentration of Usnea's usnic acid and other bioactive compounds, we custom extract the lichens with our special double-extraction process.

LIQUID HERBAL EXTRACT

USNEA

Usnea spp.
Tree Lichen

HERBAL SUPPLEMENT
