

Triple-Tea Fat Burner™ is infused with a powerful mix of White, Green and Black Tea extracts providing a potent combination of fat metabolizing ingredients with super antioxidant protection. When used with exercise and a healthy diet Triple-Tea Fat Burner™ can help:

- **Boost Your Body's Fat Burning Power***
- **Increase Your Energy***
- **Provide Anti-Oxidant and Immune System Support***

The Epigallocatechin-3-Gallate (EGCG) levels in each of the three tea extracts are standardized at 50% and have been scientifically shown to provide fat burning power.* Triple-Tea Fat Burner™ is one of the most potent tea blends on the market today with each Liquid Soft-Gel delivering 150mg of EGCG.

Each of the teas is processed differently providing a variety of antioxidants and a blend of key nutritional compounds such as polyphenols, catechins and theaflavins that assist you in your weight loss program.

What makes us different:
