

Suggested Usage: Shake well before use. Take 2 teaspoons daily with juice or water on an empty stomach. **REFRIGERATE AFTER OPENING.**

Iron is an essential mineral that plays central roles in energy production, immune system function, and neurological health.* Iron is an essential component of hemoglobin, a molecule that transports oxygen to the cells of the body, and myoglobin, which binds oxygen used in muscle tissues.* NOW uses Iron Taste Free™ Ferric Glycinate, which has clinically demonstrated superior absorption and is well tolerated because it is gentle and non-constipating.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

Caution: For adults only. Do not exceed recommended dosage unless directed by a physician. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Contains Xylitol, which is harmful to pets.
