

DIRECTIONS: As a dietary supplement, take 1 capsule in the morning and 1 capsule in the evening, preferably with meals.

TAMPER EVIDENT: Do not use this product if imprinted foil seal under cap is broken or missing.

Quercetin Plus Vitamin C is a high-potency, synergistic combination of Quercetin, a non-citrus bio-active bioflavonoid derived from Rutin from the buckwheat plant and corn free, pure crystalline vitamin C. Quercetin is more potent than common bioflavonoid complexes and contains no citrus allergens. It is a natural antioxidant and an active derivative of the bioflavonoid Rutin.

FDA Registered Facility (Registration #1023813)

Mfg. under Good Manufacturing Practices (GMPs)

Conforms to USP <209> for weight. Meets USP <241> disintegration for maximum bioavailability.
