Changing hormones can wreak havoc on your mood, sleep and sex life. End the chaos with the clinically studied botanicals found in PeriPause. PeriPause™ with EstroG-100® is a patented, clinically studied herbal blend of extracts of Phlomis umbrosa, Cynanchum wilfordii and Angelica gigas. PeriPause™ is intended for women suffering from the discomfort often associated with menopause and peri-menopause.*

EstroG-100® has demonstrated its ability to relieve:

- Hot flashes
- Night Sweats
- Temporary sleeplessness
- Nervousness
- Difficulty in maintaining a positive outlook related to menopause.

50% of women experienced improvement in at least one menopausal symptom within 7 days of use, with 75% experiencing improvement in at least one menopausal symptom within 14 days.*
