

DIRECTIONS: As a dietary supplement, take 1 capsule daily with water. One capsule is equivalent to two cups of green tea.

Studies in Japan have proven the remarkable health benefits derived from Green Tea. These benefits are due to the presence of polyphenols such as epigallocatechin gallate (EGCG), the primary substance responsible for Green Tea's powerful antioxidant protection in the body. **DEE CEE'S GREEN TEA EXTRACT** offers the highest concentration of important polyphenols (90%) with a level of 54 mg EGCG.

TAMPER EVIDENT: Do not use this product if imprinted foil seal under cap is broken or missing. Keep tightly closed. Store at room temperature: 59°-86°F (15° to 30°C). **KEEP OUT OF REACH OF CHILDREN.**

CAUTION: If you are pregnant or nursing do not take this product. Conforms to USP <2091> for weight. Meets USP <2040> disintegration for maximum bioavailability.
