

Fiber in the diet is essential for good health. Fiber acts as a bulking agent in the body, which may promote a feeling of fullness.* Glucomannan is a dietary fiber source from the root of the konjac plant. It is an excellent addition to a sensible weight loss program. It has been safely consumed for over 1000 years in the Orient.

TAMPER EVIDENT: Do not use this product if imprinted foil seal under cap is broken or missing.

FDA Registered Facility (Reg. #1023013)

Mfg. under Good Manufacturing Practices (GMPs)
