* True Active™ FoodState® 100% Food Concentrates

** Daily Value not established

Other Ingredients: Vegetable Cellulose, Guar Gum, Vegetable Lubricant, Silica

Studies have consistently measured Quercetin to be the most biologically active flavonoid. Many medicinal plants owe their biological activity and beneficial effects to their high quercetin content. Quercetin is one of nature's most active biological response modifiers.

Free of Herbicides, Pesticides & Corn

Suggested Use: 1 tablet daily 20-30 minutes before meals, or as directed by your healthcare practitioner.

INNATE

Food Not Chemicals™

Innate Response is the unwavering leader of whole food nutrition. Crafted and sourced from the freshest raw foods, then meticulously juiced. Proprietary drying technology with exacting low temperatures captures metabolically active vitamin and mineral coenzyme complexes. A thin film cellulose coating (thinner than a capsule) ensures rapid nutrient delivery.

Innate Response's extensive laboratory testing and commitment to Food Not Chemicals™ gives practitioners the confidence of truly potent healing solutions aligned with their highest values.
