

Complete Cardio Heart & Cholesterol Health™

Many factors combine to influence cardiovascular function and can create considerable challenges to maintaining optimal heart and vascular health. This robust formula provides an effective addition to a healthy diet and exercise program, helping to support heart function, help maintain healthy cholesterol levels and protect heart and vascular tissue from the oxidative effects of stress and aging.*

- **Heart and Vascular Function:** The powerful ingredients found in this formula have been studied to promote healthy heart muscle function, vascular health and blood flow.

- **Protects Against Oxidative Stress:** Pomegranate, antioxidants and B vitamins work together to target free radicals specific to the vascular system and supports healthy homocysteine levels.

- **May Reduce the Risk of Heart Disease:**

‡ Consuming 650 mg per serving of plant sterol esters twice daily with meals for a total of 1300 mg, as part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease. A daily serving of Complete Cardio Heart & Cholesterol Health supplies 1300 mg of plant sterol esters.

Unlike many other products, this unique formula provides comprehensive cardio support. Complete Cardio Heart & Cholesterol Health protects the vascular system, supports heart function and helps to maintain healthy cholesterol levels with plant sterol esters.‡

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. *Advanced Liquid Soft-Gels provide an optimum delivery system.*

Quality Assurance - We at Irwin Naturals® are committed to providing the highest quality products for your health. We employ third party testing for independent verification of purity and potency.

Environmental Responsibility - A percentage of our profit is donated to organizations that support the environment. As much as 90% of our future medicines may come from our dwindling rain forests.

Patented Bioperine® Complex - Bioperine® enhances the bioavailability, absorption and potency of many nutrients.
