

DIRECTIONS: As a dietary supplement, take 1 capsule twice daily.

Ester-C® ascorbate, a revolutionary form of vitamin C, is the most bioavailable form developed.

Metabolites in Ester-C® ascorbate help the vitamin get into the bloodstream faster and in larger amounts, penetrate white blood cells more efficiently, and waste only a fraction of what other vitamin C's "send down the drain".

TAMPER EVIDENT: Do not use this product if imprinted foil seal under cap is broken or missing.

Keep tightly closed.

Rev. 808

Store at room temperature: 59°-86°F (15° to 30°C).

KEEP OUT OF REACH OF CHILDREN.

Ester-C® is a registered trademark of Ester-C® Company, U.S. Patent Nos. 4,682,816; 5,376,885; 6,079,744 and corresponding foreign patents.

Other U.S. and foreign patents pending.

Ester-C®

Conforms to USP <2091> for weight. Meets USP <2040> disintegration for maximum bioavailability.

CAUTION: If you are pregnant or nursing do not take this product.
