DIETARY SUPPLEMENT

Recommended Use:

As a dietary supplement for men 18+, recommended use is 3 tablets per day with food (or as recommended by a physician). As with many supplements, regular use is recommended to maximize good health. You may begin realizing some benefits within a very short time, however, it is important to take The Prostate Formula for at least 60-90 days to obtain optimal benefits.

- This product is intended solely for use as a dietary supplement. It does not eliminate the need for regular prostate examinations by a physician.
- For adults only. Consult physician if taking medication, or have a medical condition. Keep out of reach of children.

Storage: Product should be stored in a cool, dry place away from direct light and heat. Keep bottle capped when not in use.

Allergy Information: Manufactured on the same equipment that processes tree nuts, wheat, peanuts and soy.
