

SUGGESTED USAGE: Add 2 level scoops daily to 6-8 oz. of cold water, juice, or your favorite beverage. Stir or blend.

Peas are well known for being a source of highly bioavailable protein. Additionally, peas are not considered one of the major dietary allergens. Collectively, this makes pea protein an ideal source of post-workout nutrition for athletes who may have difficulty supplementing with other types of protein. NOW® Sports Organic Pea Protein is a non-GMO vegetable protein isolate that has 12 grams of easily digested protein. Each 2 scoop serving typically has over 2,300 mg of branched-chain amino acids (BCAAs), and over 1,000 mg of arginine. This organic pea protein is vanilla flavored, and mixes easily into your favorite beverages.

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish or shellfish ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.
