

Suggested Usage: Take 1 teaspoon 1 to 2 times daily.

NOW® Royal Jelly delivers the natural nutrient profile found in genuine whole foods.

Royal jelly is a natural honeybee product that is used in the nutrition of immature and adult queen bees. Royal jelly has a complex nutritional profile that includes nucleotides, polyphenols, and unique organic acids. It has been used traditionally since ancient times as a health tonic.

Contains approximately 720 mg of royal jelly per teaspoon and 30,000 mg per container.

Caution: Individuals who are allergic to bees, bee products, or bee pollen should not take this product. Not recommended for pregnant or nursing women. This product contains honey; do not feed to infants under one year of age.

Not manufactured with yeast, wheat, gluten, soy, corn, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Natural color variation may occur in this product.
