

Suggested Usage: Shake well before using. Take 1 tablespoon (15 mL) 1 to 2 times daily. Can be taken directly, or mixed with water or juice.

REFRIGERATE AFTER OPENING.

Resveratrol is a polyphenol naturally found in the skin of red grapes, certain berries, and other plants. Recent research has shown that resveratrol can support healthy cardiovascular function through its ability to quench reactive oxygen species, as well as through its ability to promote a healthy response to normal biological stress.* NOW® Resveratrol Liquid Concentrate also has naturally occurring proanthocyanidins (OPCs) from grape seed extract, VitaBerry®, acai, cranberry and pomegranate which complement resveratrol's cellular and cardiovascular support properties.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Not manufactured with wheat, gluten, soy, milk, egg, fish or shellfish ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: For adults only. Resveratrol may interact with many pharmaceutical medications (especially NSAIDs, including diclofenac). Consult physician if pregnant/nursing, taking medication, or have a medical condition before using this product. This product may cause digestive upset in some sensitive individuals. If you experience any gastrointestinal discomfort after using this product, discontinue use. Keep out of reach of children. Contains Xylitol, which is harmful to pets.
