Suggested Usage: Take 1 capsule 1 to 3 times daily between meals or on an empty stomach.

REFRIGERATE TO MAINTAIN POTENCY.

NOW® Gr8-Dophilus™ is a combination of 8 different species of acid-resistant probiotic bacterial strains that are known to naturally colonize the human GI tract.* Probiotic bacteria are critical for healthy digestion.* They help maintain the integrity of the intestinal lining, support proper intestinal motility and participate in the detoxification process.* Gr8-Dophilus™ utilizes bacterial strains that have been clinically validated for their support of healthy immune system function.* FOS is also included in this product to assist healthy growth of *Acidophilus* and *Bifidus* organisms.*

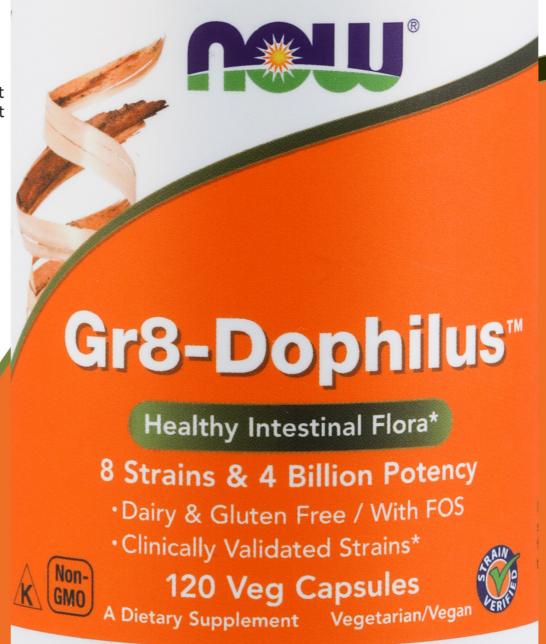

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Consult physician if pregnant/nursing, taking medication (especially immune-suppressing drugs), or have a medical condition (especially if immune system is compromised). Keep out of reach of children.

The probiotic strains in this product have been identity-verified using DNA-fingerprinting technology.
