

**Suggested Usage:** Adults: Chew 2 tablets with or before each meal  
Children (age 4 & up): Chew 1 tablet with or before each meal.

ChewyZymes™ is a broad spectrum digestive enzyme formulation in a natural berry-flavored, vegetarian chewable tablet for adults and children. It is designed to support optimal digestion of meals.\* Digestive enzymes are essential to the body's absorption and full use of food.\* The enzymes used in this product have been tested in a controlled laboratory study and have been shown to be active throughout the entire pH range of the digestive system and to not be degraded by acid in the stomach.\*

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Not manufactured with wheat, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

**Caution: Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.**
