Warnings: This product is only intended to be consumed by healthy adults 18 years of age or older. Do not take this product with alcohol. Do not use if you are pregnant or breastfeeding. Do not use if you are at risk or are being treated for any medical condition including, but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric diseases, diabetes, beta-alanemia, or benign prostatic hyperplasia. Consumption with other caffeine-containing products is not recommended. Consult your physician before using this product if you are taking any prescription or over-the-counter medications. Discontinue use and consult your physician if you experience any adverse reaction to this product. Do not exceed the recommended serving size or suggested use. KEEP OUT OF REACH OF CHILDREN.

Storage and Maintenance: Due to the amount of active ingredients in this product, shake before use to ensure proper ingredient mixture and effectiveness per dose. Moisture and humidity can cause clumping and discoloration.

Do not use if seal is broken or missing. After opening, close lid tightly and store in a cool, dry place away from direct light.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

SUGGESTED USE

As a dietary supplement, mix one scoop (8g) with 4-6 oz. of cold water (vary the amount of water to achieve your desired taste and sweetness level). Consume 20-30 minutes before training. To achieve maximum results, take on an empty stomach. During your workout, it is recommended that you drink plenty of water. Do not consume within four hours before bedtime.
