EXTRAORDINARY RECOVERY & PERFORMANCE

In one 12-week study at a leading university, well-trained individuals supplementing with the exact dose of BetaTOR® found in Clear Muscle® Next Gen increased overall performance as measured through vertical jump power output and Wingate peak power testing. BetaTOR® was even shown to support recovery from intense training.▲ In the same 12-week, randomized, double-blind, placebo-controlled clinical study, subjects taking BetaTOR® in combination with exercise gained 16.3 lbs. of muscle.
