

Suggested Usage: Take 1 softgel 1 to 2 times daily with food.

Tocotrienols are members of the Vitamin E family with unique biological activities.* Tocotrienols are powerful free radical scavengers that may help to promote normal arterial function, healthy cholesterol metabolism, and brain and liver health.* The patented self-emulsifying oral delivery system utilized in this product was developed to overcome the typically poor absorption of Tocotrienols, enhancing bioavailability up to 300%.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Not manufactured with yeast, wheat, gluten, soy, corn, milk, egg, fish or shellfish ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.
