Complete nutrition for teens and adults, with special support for brain health and memory – delivering a calm and focused state of mind without stimulants.*

Easy-to-swallow mini tabs help make up for gaps in teens' diets – when nutrient intake may not meet the demands of rapid growth – while supporting brain health and nervous system function.*

SUGGESTED USAGE: Take 1 to 3 mini-tabs daily.

Can be taken on an empty stomach.

Consult your healthcare professional prior to use if you are taking medication or have a medical condition.

Warning: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.
