

Suggested Usage: Adults: Take 2 droppersful daily as needed; Children 2-12 years: Take 1 dropperful daily as needed.

Caution: Do not exceed recommended dose. Not for use by pregnant or nursing women. Consult physician if taking medications as St. John's Wort is known to interact with many prescription and over-the-counter medications. Consult physician if you have a medical condition including allergy to plants from the Asteraceae family or a condition affecting the immune system. Continuous high level consumption of this product for more than 2 weeks of each month is not recommended. Larger amounts may contribute to photosensitizing reactions (skin reddening) in the presence of strong sunlight or tanning beds. Keep out of reach of children.

Natural color variation may occur in this product.
