

Defy your Age with 7-KETO® DHEA metabolite!

DHEA is an important adrenal hormone. DHEA levels tend to decline with aging and adrenal stress. 7-KETO contains high quality micronized DHEA for enhanced absorption and bioavailability*, which supports:

- Proper immune response*
- Healthy thyroid function*
- Mental well-being and memory*

For added safety, clinically-studied 7-KETO is an improved metabolite of DHEA that does not convert into testosterone or estrogen.*

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.
