Keep Out of the Reach of Children

take 30 to 40 drops in a little water.

Two to five times per day

SHAKE WELL BEFORE USING

003

SUGGESTED USE

LIQUID HERBAL EXTRACT

YERBA SANTA

Eriodictyon californicum
Resin-Rich Leaf

HERBAL DIETARY SUPPLEMENT
1 Fluid Ounce (29.6 ml)

We prepare our Yerba Santa Extract from the dried leaf of *Eriodictyon californicum* shrubs which are **Custom Wildcrafted™** in their wild native habitat in California's Sierra Nevada Mountains.

To assure optimal extraction of Yerba Santa's bioactive compounds, the leaves are hand-harvested in mid-summer when they are at their highest resin content, are carefully shade-dried to retain their full color and aroma, and are then thoroughly extracted.

Our Yerba Santa is never fumigated or irradiated.

Dry herb / menstruum ratio: 1 : 5

Contains **certified organic grain alcohol** (66-76%), distilled water & Yerba Santa extractives.
