

WHO WE ARE Founded in 1977, we are a family-run company that has been formulating and manufacturing proven nutritional products for dedicated athletes. Our products are found in over 90 countries around the world. **CLASSIC SERIES** Since the 70s, we've been dedicated to making some of the finest nutritional products for world-class bodybuilders. Today, the new Classic Series still represents our steadfast commitment to those individuals seeking to achieve strength and perfection in the gym. **CREATINE** Universal's Creatine Powder™ provides the purest, most readily absorbed creatine monohydrate available. Creatine monohydrate is the gold standard. It serves as a high-energy bond in muscle and nerve tissues for the maintenance of ATP levels during muscular contraction. Studies report that the increase of creatine levels will help delay the onset of fatigue, increase energy metabolism in the cells, and enhance the body's overall training capability.†
