

ActivLife Q10™ ubiquinol lets you live life and be active—you can feel the difference! ActivLife Q10 is designed for those who cannot properly process CoQ10 or those experiencing a natural decline in CoQ10 production associated with aging.*

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use. Keep out of reach of children. Consult a physician immediately in the event of an adverse reaction.

RECOMMENDATIONS: One softgel daily. If additional support is desired, take up to three softgels daily.

Contains no salt, yeast, wheat, gluten, corn, dairy products, artificial flavoring, or preservatives. All colors used are from natural sources.

ETI is an FDA-registered drug establishment.
