

Collagen is the most abundant protein in our bodies. As we get older, our collagen begins to deteriorate and can lead to many common signs of aging. Derma Matrix™ Powder helps you fight back and nourish your skin from the inside out.*

Combining hyaluronic acid and antioxidants, Derma Matrix™ Powder helps to hydrate the skin, support elasticity and aid in healthy collagen formation. Support what time has stripped away and nourish your inner beauty.*

SUGGESTED USE: Take one (1) scoop daily, dissolved in your favorite beverage or recipe.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.
