

Nourish your inner beauty with our Super Collagen Powder. As we age, our body's collagen gets depleted, which can lead to many common signs of aging. But our Super Collagen Powder has been specifically formulated to support your radiant beauty from the inside and promote your body's own collagen production.*

Formulated to boost your beauty from the inside out, our hydrolyzed Super Collagen helps you feed your healthy beauty and enjoy radiant, youthful skin and healthy hair and nails.*

SUGGESTED USE: Boost your inner beauty with just one (1) scoop dissolved into a glass of water, coffee, tea or your favorite smoothie.
