

Boost your beauty from the inside out with our Move Matrix™.*

As we age, our body's ability to produce the key structural protein in cartilage tissue, Collagen Type 2, slows down. Move Matrix™ can help fight many common signs of aging. The combination of scientifically advanced ingredients work synergistically in the body to promote joint health. Collagen Type 2 also provides the structural framework needed to resist tissue compression, while hyaluronic acid provides joint cushioning. Boost your body's radiance with Move Matrix™.*

SUGGESTED USE: Nourish your inner beauty with five (5) capsules daily.*
