# NUTRILITE®

NUTRILITE® is the only brand to grow, harvest, and process plants on our own certified organic farms.\*\* By doing so, Nutrilite captures phytonutrients (nutrients from plants) at their peak. Nutrilite® supplements conveniently deliver the hard-to-get phytonutrients that are found in fruits and vegetables.

In order to assure products of the highest quality, all NUTRILITE ingredients go through strict quality testing and Nutrilite manages the entire process from seed to finished product.
