

Suggested Use: As a dietary supplement, adults take one (1) softgel daily with a meal, or as recommended by a healthcare professional.

Warning: Do not use if you are pregnant, attempting to become pregnant, or nursing. Consult a healthcare professional before using this or any other dietary supplement, especially if you have or suspect you may have any medical condition, or if you are taking any other dietary supplement, prescription, or over-the-counter medications, as combining these products may cause side effects. Discontinue use and immediately call a healthcare professional if you experience any adverse reactions. Do not exceed recommended serving.
