coromega MAX has...

3X Better Absorption

Our unique emulsified formula is absorbed 3X more effectively than fish oil softgels.*

Wild-Caught Fish

We use wild-caught, deep water fish, in its natural triglyceride form, certified sustainable by Friends of the Sea.

Better Taste

The smooth and delicious combination of creamy coconut and zesty orange is easy to digest - which means no fish burps!

Purity You Can Trust

Our fish oil meets or exceeds all government + international standards for purity and safety.

Less Oxidation Than Softgels

Unlike softgels, our multi-layer pouch keeps out sunlight and oxygen for better efficacy and freshness.
